REQUEST FOR PROPOSAL

Recruitment of

IT Experts to support the implementation of the e-Government Service Platform and e-Government applications.

National Centre for Information Technology
Republic of Maldives

TERMS OF REFERENCE

I INTRODUCTION

The National Centre for Information Technology (NCIT) wishes to hire 03 (three) competent IT Experts to support the implementation of the Information Technology Development Project (ITDP), in particular the implementation e-Government Service Platform and e-Government applications under the Application Turnkey component of the ITDP.

II BACKGROUND

NCIT is currently working to introduce e-Government and put in place central Information Technology infrastructure required for the rapid development of e-Government in the country under the Information Technology Development Project (ITDP). ITDP includes the design and deployment of an e-Government Service Platform with the central IT services required for rapid and cross-government development and deployment of online public services and also the design and implementation of a government wide network infrastructure to support the connectivity requirements of the e-Government Service Platform.

II OBJECTIVES

The objective of this IT Expert is to support NCIT, as part of a team, in the implementation of the e-Government Service Platform and e-Government applications.

In addition, the IT Expert will support NCIT in other IT related areas of interest to NCIT as required by NCIT.

III SCOPE OF THE WORK

In order to achieve the objectives of this project, the IT Expert will:

1. Develop the RTM, test scenarios and test cases, conduct testing and prepare incident logs for the e-government framework, online applications and the central government applications coordinating whether this meets the functional requirements of the agencies and to ensure that the objectives of the applications are met.
2. Carry out related work with the agencies to facilitate the on-time delivery of the applications while conducting meetings and consultation sessions required for the project with the Contractor in order to resolve problems and attend to all correspondence issues and prepare relevant correspondence.

3. Carry out consultation with the users during testing, trial and operation, attending to incidents and requests and visiting user sites with respect to incidents and requests.
4. Get the ministries co-operation and encourage the ministry's stakeholders to provide support and assistance required to roll-out the e-government.
5. Provide any assistance to the e-government project in general

IV DELIVERABLES

The IT Expert will be asked to produce the reports, comments, presentations and other such deliverables during the contract period, as required by NCIT.

V IMPLEMENTATION ARRANGEMENTS

Working hours for the IT Experts will be from 8:00am to 4:00pm. The monthly remuneration for each IT Expert will be MRf 15,000 per month. The IT Expert is expected to work at NCIT for period of 03 (three) months.

The IT Experts will be provided with general work environment at NCIT including a PC.
The starting date for the IT Experts is 01st March 2009.

VI PROPOSAL

The proposal should include the following:

6. Cover letter giving an overview of the IT Expert's experience
